AMA District 17 lost a founding father. Bill Maxey was not only a true competitor and rider's rider, but his insight, participation, and thought process in the 60's made Districts and organized AMA racing what it is today. He was an inspiration to us and not only was part of our process since the beginning but even as he started to slow down, would call and touch base with many of us to keep in the loop. One of the last AMA Congress's he wasn't able to make it so he phoned in and closed the main congress meeting. Bill will be missed, but his memory and mark on us here in Illinois and at AMA will live forever. "They don't make em like that anymore" comes to mind when thinking of Bill. He was the guy you knew would give it to you straight!
